Good Afternoon Samuel,

Thank you for confirming the deletion of the files and for providing the traffic control restrictions. This is very helpful information.

I appreciate your assistance with this.

Best regards,

Good Morning Shani,

Thank you for the revisions. I have deleted both files from August 13th. Everything looks good on my end. I would expect encroachment approval within a week, if not sooner.

This will be listed in the special provisions as well, but I wanted to give a heads up for traffic control restrictions since most of these ALPRs are being installed in areas with high traffic volume.

Good Afternoon Samuel,

Thank you for your guidance on this process. I've removed Site 2 from the plans and submitted the revised 16.1A, signed to reflect six poles. I wasn't able to delete the files uploaded on 8/13 and would greatly appreciate your assistance with that step.

Please let me know if there's anything else I can do on my end to keep things moving smoothly. I truly appreciate your patience as I was out last week and am working to get everything back on track.

Wishing you a wonderful day,
